PARTS:

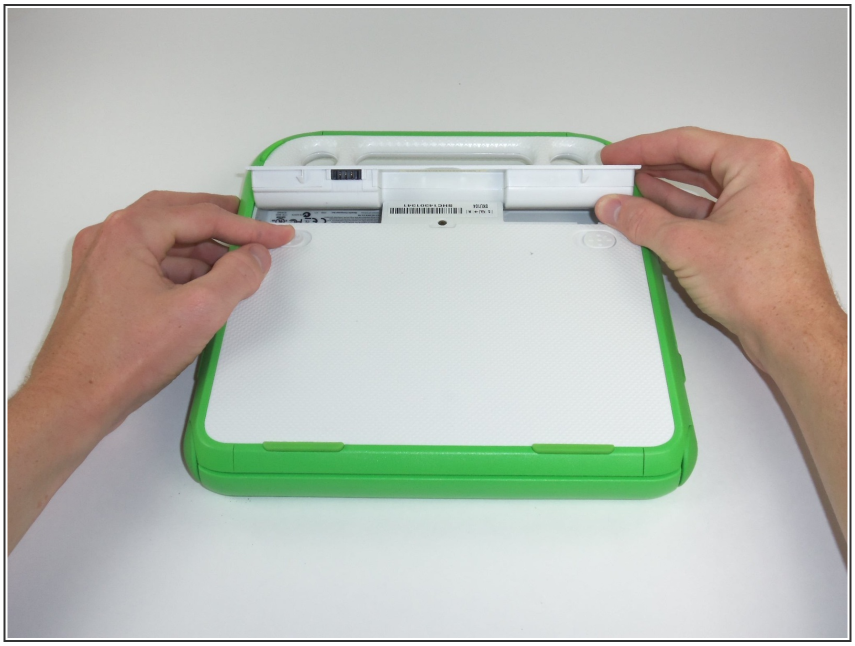

- Compatible Replacement (1)

Step 1 — Battery

- Place the laptop upside down with the handle away from you.

Step 2

- Slide the tabs out, towards the green edges, to show the open lock symbol.
  - The right tab will stay in place, but the left tab must be held in position while you remove the battery.

Step 3

- Lift the middle of the battery to remove it.

To reassemble your device, follow these instructions in reverse order.
